Dear NBYC Members,

Enclosed with this letter is the Normandy Beach Yacht Club's 2017 calendar of activities.

I am happy to announce that this season we have 5 members who will host, or co-host, parties for the first time. For this Club to continue to be successful, all of our members need be active, volunteer and support our events. We welcome other ideas and encourage members to host events for our Club. Please contact me or someone on the Social Committee with your ideas and we will help you bring your ideas to life.

I want to thank the Social Committee for their time and efforts putting together our 2017 calendar of activities. Most importantly, I want to thank all of the members who have volunteered their talents and time to help organize Club events we can all enjoy.

In just a few days we kick-off the unofficial start of the summer of 2017. Saturday's weather looks good for opening our homes, going to the beach and enjoying Sunset Cocktails at the Club. Your hosts for the evening are Betty Resch and Harry McNally. Bring an appetizer to share. Toms River has provided a Social Permit, so in addition to the appetizer to share, there will be a \$10 fee regardless of when you arrive. All guests must be accompanied by a member.
